**Changes to our Newsletter** - - - Now that our church website is up and running, we will put our monthly newsletter on that site – this saves lots of time and money. We are aware, however, that not everyone can read it on-line so we will continue to mail to most of our Senior Adults and out-of-towners. Additionally, we will have several copies available in the church sanctuary. **BUT**, if you do have the ability to read on-line, we hope you will do so. Our church website will contain lots of info and pictures – check us out! Address is: [corinthbcrosehill.org](http://corinthbcrosehill.org). If you have any questions/suggestions please call the office at 910-289-4787 or email [churchsecretary@yahoo.com](mailto:churchsecretary@yahoo.com). Thanks for your support!

## The Pastor's Page- May 2015

Spring is here and time is surely passing. It is good to be alive and to be part of the great work at Corinth Baptist Church.

I am excited at the progress being made at CBC, with the ministry teams functioning and making ever new plans for outreach as well as inward focused ministries to our children, youth and seniors.

We have on the horizon the opportunity to host a rally and supper event for the Senior Adult Ministries for EBA. We are looking forward to showing our love and hospitality to those of other churches that will be in attendance. Many within our church have volunteered and the Men's Brotherhood has agreed to step up and work and minister during this event.

Our WOM attended an event the weekend of May 1-3 at Myrtle Beach for the Women of Joy Conference. We are looking forward to hearing the encouraging news they will share with us from this renewal experience.

"Super-Kids" is experiencing good participation with good results. The attendance of both the participants and teachers/helpers has been outstanding. Again, we thank all those that serve and to the parents for their support and participation.

We have had several weeks of special services and special events that had interrupted our normal schedule, but both Sunday Night Bible Study and Wednesday Night Prayer Service are back on schedule and I encourage each of you to attend. The interaction and participation is dynamic and the time passes so quickly at these worship/preparation times.

I would again remind everyone of our deacon family ministry and encourage you to call your deacon if there is a need.

We will have our next business conference on Sunday May 17<sup>th</sup> at 6:00 PM.

Again, there are many within our church family that needs our prayers and contact. Please call or visit our sick, shut-ins, and those that are going through crisis. They will appreciate your concern and the act of love. If you have knowledge of a need that the Pastor can help fill, please let me know.

Linda and I thank each of you for your love and support as we labor to serve the Lord with you. Each of you is a joy and a blessing to our lives.

In Christ,

Phil Eakins- Pastor

## YOUTH AND FAMILY

Andy Beard, Youth Pastor

### Calling all Students

Our church is stepping up in a big way the night of May 19. We will serve over 200 Senior Adults from all over Duplin and Samson Counties as we host the **Eastern Baptist**

**Association Senior Adult Rally**. I am calling you out to help serve dinner on that big night! We will have a bunch of people packed into our fellowship hall that night, and to help things run smoothly you are needed to wait tables, fill drinks and take plates. If you can help, be here at 5:30 Tuesday night and plan to stay around till 7:30.

This is a great way to use our youthful energy and joy to be a blessing to all those who come that night. Parents, it will be a big night and your help will be just as valuable, so come and serve along you child.

## CHILDREN IN ACTION - May, 2015

### Get to Work in NYC!

CAs will investigate ways two innovative churches in New York City reach out to their communities by meeting a multitude of practical needs. This month's Bible study from 1 Thessalonians also underscores the value of honoring God through pure living and hard work.

**WEEK ONE:** CAs will determine how they can lead humble, hard-working lifestyles that please God. A sensory activity will introduce the sights, sounds, and smells of New York City.

**WEEK TWO:** Through the example of Taylor Field and Graffiti Church, CAs will be challenged to meet the needs of others in thoughtful, practical ways.

**WEEK THREE:** CAs will understand that forming a new church isn't about a building - it's about building relationships, as modeled by Christy Dyer and the team of New City Church.

**WEEK FOUR:** CAs will review how missionaries in New York City connect with people in their communities and model these connection techniques through a variety of special projects.

**BIBLE VERSE:** "Do everything you can to live a quiet life. Mind your own business. Work with your hands, just as we told you to." (1 Thessalonians 4:11 NIrV)

Thank you, parents, for your continued support in bringing your children each week to learn about the work our missionaries are doing all over the world. In Christ,

Karen Knowles, Penny Henderson, Barbie Jackson

***EBA Senior Adults Rally – May 19 – Save the Date!*** *Corinth has been asked to host this year's Senior Adults Rally and we are going to need lots of assistance from our whole congregation. The rally will consist of a program in the sanctuary and end with a meal in our Fellowship Hall. Sign-up sheets will be placed on both bulletin boards with opportunities to help with greeting visitors, set-up, meal preparation, serving and clean-up. We will also need to borrow some of our musical talent for the program. So this is a great opportunity for us to welcome the senior members of the whole EBA Community. Sherri Mencey will have more information forth-coming so please plan to help!*
