

Graduation Sunday will Soon to be upon us. If you are graduating from High School or College this spring, we would love to honor you at that service. Please contact Andy and let him know if you would like to be part of our Service. It's an important time in the lives of those Students and their families.

It will be a special time to show the Graduating Class of 2015 how proud we are of them. We are excited to have eight active students graduating from two different high schools this year. Pray for them and look for a way to celebrate with them and their family.

WRH High school is one of the few public schools that still has a Baccalaureate Service. It is organized and led by a group of community pastors as a way of honoring the Lord for the work He has done in helping the Graduates reach this point in their lives. It's a great service -- please pray for this special service as Christians get to share the love of Christ with students and their families.
